WILD HORSE WIND POWER PROJECT
REQUEST TO AMEND THE SITE CERTIFICATION AGREEMENT

NOTICE – PUBLIC HEARING/COMMENTS

The Washington State Energy Facility Site Evaluation Council (EFSEC or Council) has received a request from Puget Sound Energy (PSE) to amend the Site Certification Agreement (SCA) in accordance with Chapter 463 of the Washington Administrative Code, for the Wild Horse Wind Power Project. If approved, the amendment would allow the following project change:

Installation of an exempt well pursuant to RCW 90.44.040 (withdrawing less than 5,000 gallons per day) at the Operations/Visitors Center. Water from this well will be used for bathroom and kitchen uses at the Operations/Visitors Center, during operation of the Wild Horse Wind Power Project.

COMMENTS INVITED

EFSEC invites interested persons to submit comments concerning the proposed amendment to the Wild Horse SCA. Written comments should be mailed to:

Stephen Posner, EFSEC
PO Box 43172
925 Plum Street SE, Bldg. 4
Olympia, WA 98504-3172

OR

Email: stephenp@cted.wa.gov

Fax: (360) 956-2158

Comments are due to the EFSEC office by 12:00 noon on Tuesday, February 13, 2007.

PUBLIC HEARING

NOTICE is hereby given that a hearing to consider this matter will be held at 2:00 PM Tuesday, February 13, 2007 at the Washington State University Cooperative Extension Building 4, Conference Room 308, 925 Plum Street SE, Olympia, WA. Any person wishing to comment at the hearing may do so in person or by calling the conference phone number (360) 956-2226 (a limited number of lines will be available; you should contact EFSEC prior to the meeting for more information).

The Council will consider all comments submitted in formulating its final determination.

COUNCIL ACTION

After the close of the comment period and after the public hearing, the Council will consider the information presented and make a decision on the proposed amendment to the Wild Horse SCA.
